

Pranav Desai, founder of [www.voiceofsap.org](http://www.voiceofsap.org) is an NRI, Vice President with Global IT Services Company (world's top 10) and Hon. Advisor to Govt. of India (Department of Empowerment of Persons with Disabilities, Ministry of Social Justice and Empowerment). He is a polio survivor.

Pranav's vision is to create a mass movement for creating inclusive, accessible society with help of VOSAP mobile app, technology platform that empowers volunteers to be the "change maker" in their local, corporate community which they belong to.

Pranav led the volunteer group "Empowering The Specially Abled People" on [www.India272.com](http://www.India272.com), published the Vision 2020 with 12 goals for Specially Abled People (SAP) and 7 goals / commitments were included in Govt. of India's agenda for SAP. As a Thought Leader and Enabler, Pranav presented "Accessible India Campaign" to Indian Govt., which was well received and he was requested for further assistance. AIC was formally launched by H'ble PM of India on Dec 3 2015 which led into several actions and resource allocations for upgrading 10,000+ Govt. buildings, mass awareness creation initiatives by the Govt. Pranav is also promoting the cause, economic Empowerment with Corporate leaders for their pledge to take inclusive decisions, hiring Specially Abled People, CSR projects in disability sector etc.

Pranav knows H'ble PM of India for over 25 years, which has helped promote this cause with several ministries of Govt. of India, State and local governments for adopting disabled friendly Govt. policies, resource allocations, adopting recommendations for enacting New Law for People with Disabilities (RPD 2016) etc.
